RE: KOBE STEEL

October 23<sup>rd</sup> 2017

TO WHOM IT MAY CONCERN:

It has come to the attention of High Temp Metals that Kobe Steel, LTD. has acknowledged that it fabricated data relating to the quality and strength in a vast range of products and industries, thereby calling in question the integrity and pedigree of the material obtained.

High Temp Metals has never procured, either directly or from secondary sources, any product produced by Kobe Steel, LTD. Therefore High Temp Metals unequivocally has never supplied material produced by Kobe Steel, LTD to any of our customers.

Regards:
